Hicom Glenmarie Industrial Park
40150 Shah Alam, Selangor Darul Ehsan, Malaysia
(P.O. Box No. 7726, 40724 Shah Alam, Selangor D. E.)
Tel: 60-3-5569 1228 Fax: 60-3-5569 2233

We confirm that two (2) Sealed Lead Acid Batteries of 45 Ah, calcium-calcium type were handed over to Sulfarid Technologies on the 28th of December 2004.

Both batteries were shelf sulfated and were to be junked.

Battery No.1 (Din 55) – Cene battery

Impedance : 232 mΩ

CCA : 7 A

After Sulfarid Desulfation

(30th December 2004)

Impedance : 10.46 mΩ

CCA : 172 A

Battery No.2 (Din 55) – Trane battery

Impedance : 15.96 mΩ

CCA : 102 A

After Sulfarid Desulfation

(30th December 2004)

Impedance : 5.41mΩ

CCA : 334 A

Both batteries are now serviceable. Battery No. 2 now has measurements of a new battery.

Regards,

Chow Yee Kam
